

# Welcome to ENOG16

Tbilisi, Georgia  
3-4 June 2019

[WWW.ENOG.ORG](http://WWW.ENOG.ORG)

# Programme committee

- Defined by the charter
- Formed from volunteers
- Non-commercial
- PC members are chairing the plenary sessions
- Is responsible for preparing the agenda

# Some topics for ENOG16

- DC Networking
- IPv6
- DNS and DNSSEC
- Different Aspects of Routing
- Cybersecurity
- RIPE NCC Activities
- ...

# “I want to add something!..”

- Too late for the full-length talk proposal...
- **But lightning talks (10 minutes) can still be submitted today until 16:00**
- **➔ <https://www.enog.org/submit-topic/submission-form/>**
- This is the Final Call for lightning talks!

# Rate the talks!

- It is **important!**
- On the website of the event go to “Presentations”  
➔ <https://www.enog.org/enog-16/archives/>

# Languages

- The working languages are English and Russian
- Translations between them are available
- Get your headphones outside of this room

# ENOG is also a networking event

- Use your badges
  - ✓ Make sure that your name is visible
  - ✓ Even during the social events :)
- Use electronic means of communication
