A screenshot of a web browser window displaying the ENOG Meeting live interaction page. The browser's address bar shows the URL <https://app2.sli.do/event/fiveyx4a/live/questions>. The page has a blue header with the text "ENOG Meeting". On the left side, there is a sidebar with the following items: "ENOG Meeting Jun 3 - 4, 2019 #ENOG", "Live interaction" (highlighted with a green icon), "Switch event", and "About Slido". The main content area is titled "Ask the speaker" and contains a text input field with the text "My question to the speaker: what's the weather in Tbilisi?". To the right of the input field, the number "102" is displayed. Below the input field, there is a label "Your name (optional)" next to a person icon, and a green "SEND" button.

A screenshot of the slido.com interface. The top left corner displays the "sli.do" logo. Below it, the text "Join at slido.com #ENOG" is visible. The main area shows a question titled "What's the weather in Tbilisi?" submitted by an "Anonymous" user. To the right of the question, there is a thumbs-up icon and the number "0". The background is a dark blue gradient.
